

At zeb we see ourselves as partners for change. Our philosophy and mission is to support clients who are willing to shape the future. Clients who make decisions and foster value creation for their customers as well as shareholders and employees. With these clients, we develop visions and innovative strategies, make them actionable and put them thoroughly in motion. We're not just satisfied by crafting adequate answers but also by driving effective results. Due to our creativity and independence in terms of ideas and actions, we are able to create new value setting standards; a 360° management consultancy that revolves around one thing: the success of our clients.

In order to achieve this, we are looking for demanding, curious, open-minded, innovative, analytical and entrepreneurial people, who see the "big picture". We are currently hiring for the following position:
